

Beltana Station Tours

Station Tours

Historical Tour - Approx 5hrs - This trip is for history buffs wanting to have a look around Beltana Station, its old mines, the Ghan Railway, outstations, old sheep yards & Afghan tanks that are scattered around the property, we also take a look at the Ediacara Conservation Reserve & its fossils.

Sunset Tour - Approx 4hrs - this is a trip to our special vantage point to take in the last light of the day & includes drinks & nibbles.

Tag a Long Tours - Approx 6hrs - Tag a Long tours are divided up into 2 sections covering the Eastern or Western portions of the property.

Eastern Tour - this will take in a trip through Beltana Township then out around the eastern half of Beltana Station to some old mines & then through to Puttapa Springs & ruins then back to Beltana Station. Suitable for beginners to four wheel driving or those with all wheel drive.

Western Tour - this will take you out past Ediacara Conservation Reserve over the sand dunes separating the plains from Lake Torrens then back around past some old sheep yards, then out & around Mt Deception through the western edge of the Flinders Range then back to the station. 4WD needed for this trip.
